Subject: Blue Spike v. Audible Magic -- Interrogatory Responses

Counsel,

The Court's September 10th Order required Blue Spike to "provide full supplemental responses to Audible Magic's interrogatory nos. 6-10" within twenty days of the order. That deadline was yesterday and we have not received supplemental responses. Please provide these required responses immediately.

Also, to reiterate what I mentioned to Peter in Court today, the production we received from Blue Spike last night was corrupted and neither us nor our vendor can open it. Please immediately resend this production. I'm sure you can understand that time is of the essence.
